

Address:

989 112th Ave NE, Bellevue, WA 98004

Instructions for parking:

You can park your car in any spot in P1 or P2 of the building unless there are signs telling you not to park. Parking is free for the first 3 hours; however, we had guests parking there for 5 hours and they did not get tickets (you may or may not want to take the risk).

Unfortunately, the call box in P1 does not work. You can either park in P2 and use the call box, or park your car in P1 and use the street level entrance.

Parking in P2:

Our parking is a little bit complicated as there are two buildings that share the same parking at one level. Here are the instructions to park in P2

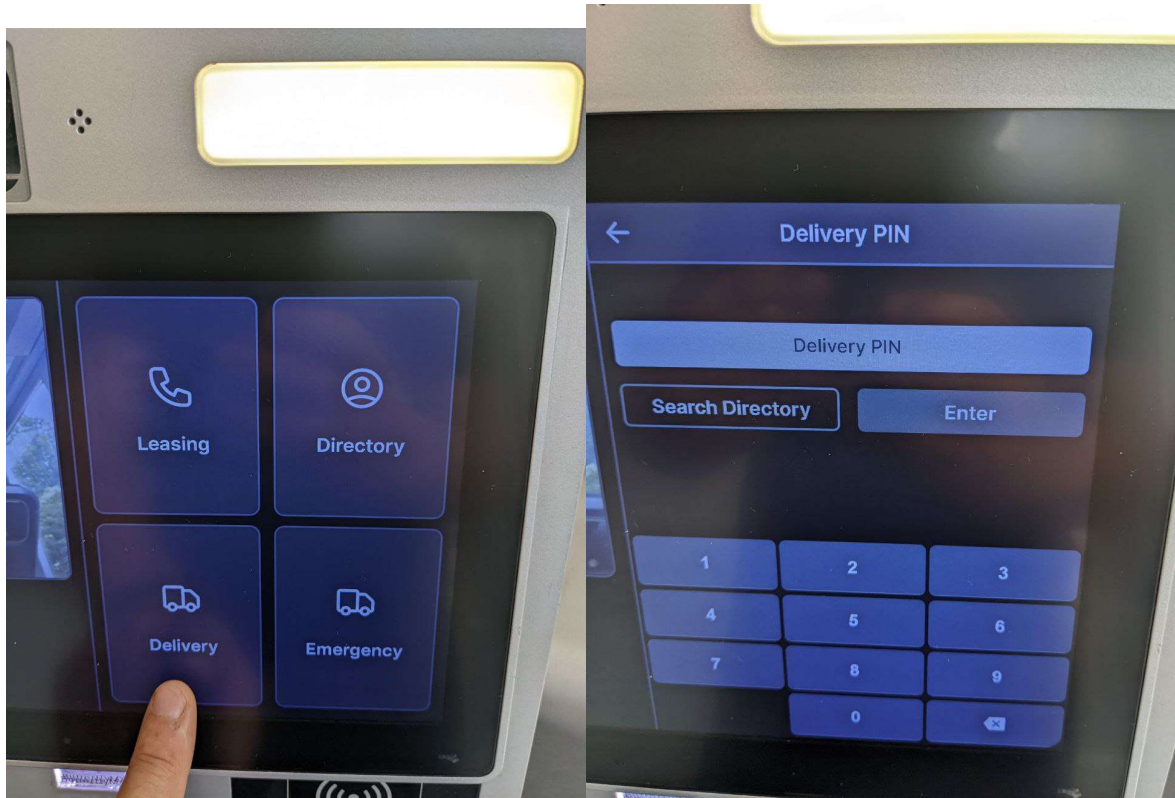

When you enter:

1. go straight to the end
2. turn right and go straight to the end
3. turn right go straight until to get to a T intersection
- 4. TURN RIGHT IN THE INTERSECTION (DO NOT GO STRAIGHT)**
5. You reach P2 – park your car anywhere
6. Look for the call box next to the residential elevator

Call box and the party room:

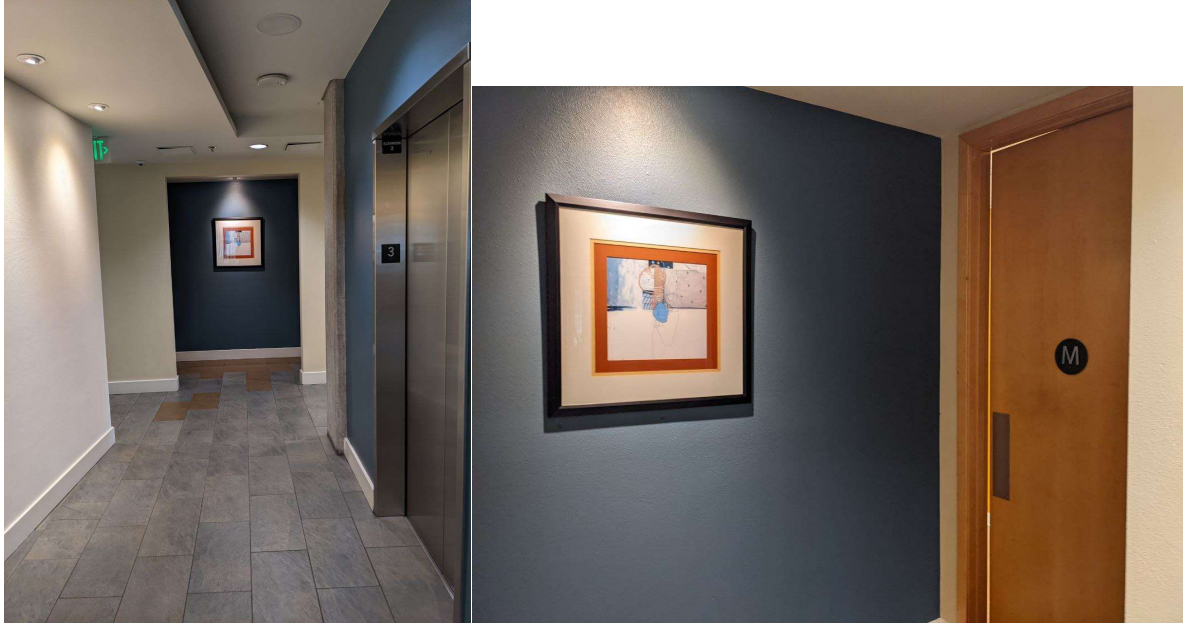

On the call box, click on **Delivery**. The delivery pin is **269606**

Once you enter the pin, the door will open. Use the elevator to get to the 3rd floor. Just follow the music on the 3rd floor to get to the party room!

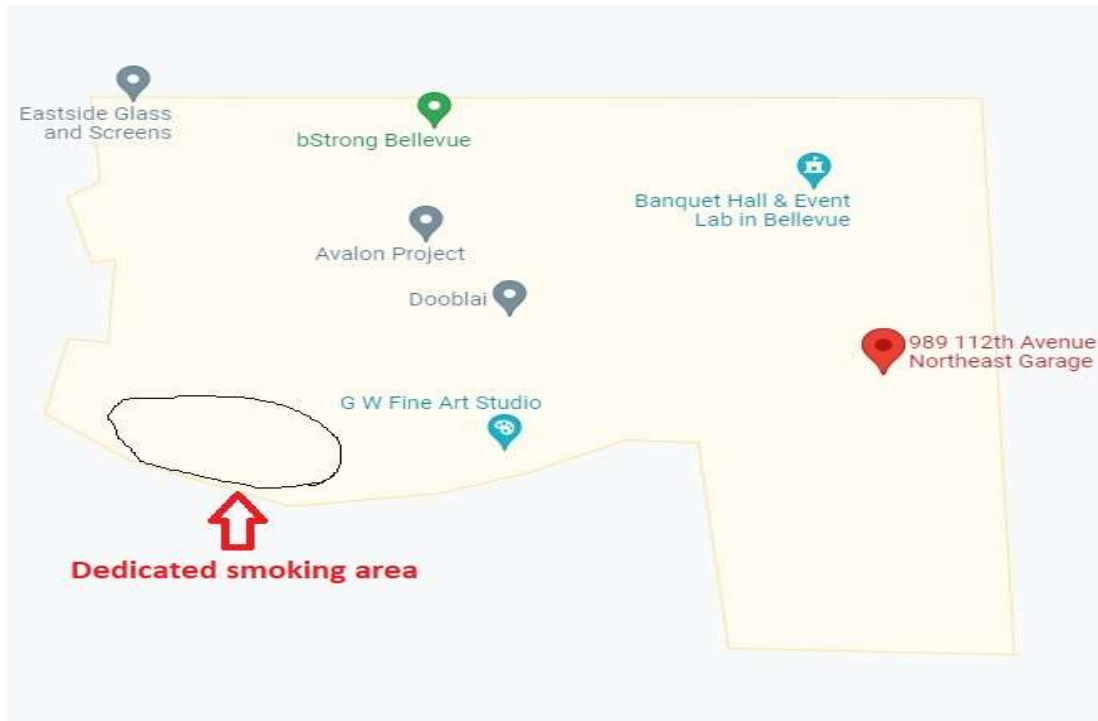

Washroom

There are restrooms on the third floor; right side of the elevator.

Smoking Area

For smoking, please use the dedicated smoking area on the street level

Food and Drinks

We will have Vodka (with cranberry juice), Tequila (with Salt and Lime), Whiskey, some Beer, Wine and Margarita. Please BYOB if you like other drinks.

There are also snacks, dips, and Bitá's homemade Chicken mac salad! She will also prepare a vegetarian version. This is not dinner though. Pizza will be delivered around 9:45 (sorry in advance for non-Iranian friends who eat dinner early)! We will cut the cake after dinner. Our reservation ends at 10PM, but we will keep the party going till 10:30-11PM.

Please come by early as we should not stay after 11PM.

COVID SAFETY

Please make sure that you do not have any symptoms as the size of the party is relatively big (50-60 people) and some people have travelling plans after the party.

Please call either **Bitá** or **I** in case of any issues
